

LGD Needs Assessment and Placement Questionnaire

Please fill out the following questionnaire to help us determine which of our puppies/dogs will best suit your needs. The more complete, thorough and honest you are in your answers, the better we will be able to serve you.

If you would rather fill out the questionnaire by hand and mail it to us, you may contact us, and we will send you a printed copy.

Please take the time to read our Sales Contract BEFORE submitting your questionnaire.

For what purpose(s) are you interested in our dogs? (please check all that apply)

☐ Livestock Guardian

☐ Homestead Guardian

☐ Companion Animal

What type of livestock will the dog be guarding?

Sheep/Goats

Pigs

Poultry

Horses

Cattle

Alpaca/Llama

Other

None

Will the dog only live outside, only inside, or both inside and outside?

What type of shelter will be available to the dog to protect it from the elements (sun, wind, rain, heat, etc.)?

Type and height of fence that will contain your dog?

Approximate size of area the dog will be expected to protect:

What expectations will you have of this dog?

Do you have time to train this dog?

Generally, livestock guardian dogs take 2 years to fully mature and grow out of their puppy phase. Immature dogs can and will chase livestock, play with livestock, and can accidentally kill livestock if left unattended. You must be able to observe and correct any bad behavior. Penning the dog next to but not in with the livestock during this time period is necessary.

Do you currently own a livestock guardian dog (LGD) that is living with your stock?

Yes

No

If yes, please list breed, gender, age, whether intact or altered, and temperament (dominant, submissive, etc.) for each LGD:

Other than LGDs, do you have any other working dogs that will be working in the same area as your LGD?

Yes

No

If yes, please list breed, gender, age, whether intact or altered, and temperament (dominant, submissive, etc.) for each dog:

If you do not own one now, have you ever owned a livestock guardian dog before?

Yes

No
